INDICATOR NO. 5 ESTIMATE TABLE

DATA REGENCY

Since Core Indicator data come from multiple sources, there are variations in data recency across indicators and countries. To indicate how recent the latest available data are, some of the estimate tables in this report show one of three symbols next to country names:

-  - **prior to 2009**
-  - **2009-2011**
-  - **2012 to present**
